FLYINGBLUE

Where will life's pleasures
take you?

Welcome

to a world of
valuable moments
with Flying Blue

We are delighted to welcome you as a member of Flying Blue, the frequent flyer programme where every Mile takes you closer to a precious moment that's special to you.

When you travel with your Flying Blue card, you are instantly recognized by AIR FRANCE, KLM and all the SkyTeam partners, so you can always look forward to a pleasant trip.

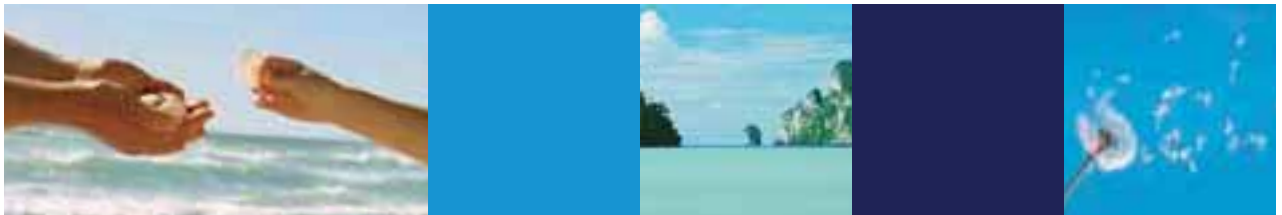

Your Flying Blue card is your passport to earning valuable Miles. Before you know it, you can transform your Miles into valuable experiences. With over 18,000 daily flights, 900 destinations and 130 partners, it couldn't be easier. The more you fly, the more advantages you enjoy as you go up to higher levels of membership: Silver, Gold and Platinum.

There are also lots of ways to enjoy your Miles. Whether it's a flight to the destination you've always wanted to explore, a stay in a luxury hotel, or countless other ways to spend your Miles, the choice is yours. And as you are about to discover, Flying Blue is all about choices.

Discover the pleasure and simplicity of earning Miles

■ Level Miles

You can earn Level Miles on most flights with AIR FRANCE, KLM and SkyTeam airlines. The number of Level Miles you have determines your membership level: Ivory, Silver, Gold or Platinum. The Level Miles you earn are valid until December 31st of the year in which you earn them.

With Flying Blue, you earn two kinds of Miles: Award Miles that you can spend, and Level Miles that determine your level of membership. There are also plenty of Award Miles to earn if you keep your feet on the ground, thanks to an extensive list of non-airline partners that participate in the Flying Blue programme.

■ Award Miles

You earn Award Miles on most flights. You can spend your Award Miles for award tickets from AIR FRANCE, KLM, and from our airline partners or for any of the many services offered by our non-airline partners. As a Flying Blue member, your Award Miles are valid for life as long as you fly* at least once every 20 months, on AIR FRANCE or KLM, Air Europa, Kenya Airways or Aircalin, or one of the Skyteam member airlines.

* On a flight with a paid ticket of one of the SkyTeam airlines, allowing Miles accumulation.
